GENERAL CONDITIONS AND INSTRUCTIONS
TO BIDDERS
REQUEST FOR QUOTATION – 1/2017

1. **TERMS AND CONDITIONS** The terms and conditions of this document govern in event of conflict with any terms of the bidder's proposal, and are not subject to change by reasons of written or verbal statement by the contractor unless accepted in writing. Words and abbreviations which have well known technical or trade meanings are used in accordance with such meanings.
2. **SUBMISSION OF QUOTE** All quotes are to be submitted to the location indicated on the front page of the Request for Quotation form. Unless otherwise specified, the following forms must be submitted:
 - Pricing Form
 - Affidavit (form attached)
 - W-9
 - References, if requested
 - Other forms as requested in the document.

The form must be typed or written in ink. Conditional bids and bids containing escalator clauses will not be accepted. All bids must be regular in every respect and no interlineation, exclusions, or special conditions shall be made or included. Bids must contain an original signature, in the space provided, of an individual authorized to bind the bidder.

3. **LATE BIDS** It is the bidder's responsibility to assure delivery of the bid at the proper time to the designated location. Bids delivered to any other office or location will not be considered.
4. **ADDENDUM** In the event that any addenda to this solicitation is issued, all solicitation terms and conditions will remain in effect unless they are specifically changed in the addendum. It is the responsibility of the bidder to make inquiry as to addenda issued. Oral answers to questions relative to interpretation of specifications will not be binding on the City. Such addendums, if issued, will be posted at: <http://rockvillemd.gov/Bids.aspx>

Failure to acknowledge an addendum on the bid proposal form or to sign and return an Addendum with your response may result in disqualification of your bid.

5. **ACCEPTANCE OF BIDS** Unless otherwise specified, the City will accept or reject any or all bids or any or all items within ninety (90) days after the date of bid opening, unless extended by mutual consent of all parties.
6. **BID WITHDRAWAL** Bids may be withdrawn or modified under the following circumstances:
 - a. Where a mistake is discovered before the bid opening, the bid may be modified or withdrawn by written or electronic notice received by the purchasing agent prior to the time set for bid opening.
 - b. Where a mistake is discovered after the bid opening but prior to contract award, a bid: 1) may be corrected where the error is made and the intended bid price can be determined solely from the bid documents submitted, and the purchasing agent determines that the mistake was inadvertent and bona fide;
May be withdrawn where the bid was submitted in good faith and the bid price is substantially lower than the other bids due solely to a clerical mistake therein as opposed to a judgment mistake and the mistake was due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid.
 - c. No bid may be withdrawn or award canceled when the result would be prejudicial to the interests of the City or fair competition.
 - d. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or business to whom the contract is awarded, or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.
 - e. If a bid is withdrawn or award canceled under the authority of this section, the lowest remaining bid shall be deemed to be the low bid.
 - f. Nothing herein shall prevent the City from rejecting all bids if deemed to be in the interest of the City or fair competition.

7. **BIDDER INTEREST IN MORE THAN ONE BID** Multiple bids received in response to a single solicitation from an individual, firm, partnership, corporation, affiliate, or association under the same or different names will be rejected. Reasonable grounds for believing that a bidder is interested in more than one bid for a solicitation both as a bidder and as a subcontractor for another bidder, will result in rejection of all bids in which the bidder is interested. However, a firm acting only as a subcontractor may be included as a subcontractor for two or more bidders submitting a bid for the work. Any or all bids may be rejected if reasonable grounds exist for believing that collusion exists among any bidders. Bidders rejected under the above provisions shall be disqualified if they respond to a re-solicitation for the same work.
8. **PRICES** Bids must be submitted on a firm, fixed price, F.O.B. Destination basis only unless otherwise specified herein.
9. **ERRORS IN BIDS** When an error is made in extending total prices, the unit price will govern. Erasures in bids must be initialed by the bidder.
10. **TAX EXEMPTION** The City is exempt from the payment of any federal excise or any Maryland sales tax.
11. **SPECIFICATIONS** Bidders are expected to be thoroughly familiar with all bid documents, including all addenda. No consideration will be granted for any alleged misunderstanding of the intent of the contract documents. In the process of assembling and binding the bid documents individual pages or drawings may have been inadvertently omitted. Each bidder shall carefully and thoroughly examine these bid documents for completeness. No claim of any bidder will be allowed on the basis that bid documents are incomplete.
12. **BID AWARD** Award will be made to lowest responsive and responsible bidder complying with all provisions of the Invitation for Bid, provided the price is reasonable and in the best interest of the City to accept. The City reserves the right to award by individual commodities/services, group, all or none or any combination thereof. When a group is specified, all items in the group must be bid.
13. **MULTI-YEAR BIDS** Multi-year contracts may be continued each fiscal year only after funding appropriations have been granted. In the event necessary funding appropriation is not granted, the multi-year contract shall be null and void, effective July 1st of the affected year. Should the vendor decline the City's right to exercise any option period, the City may consider the vendor in default, which may affect that vendor's eligibility for future contracts.
14. **BIDDER'S PAYMENT TERMS** The City will reject as non-responsive a bid under this solicitation, which is conditioned on payment of proper invoices in less than thirty (30) days. However, this does not preclude a bidder from offering a prompt payment discount for payment of proper invoices in less than thirty (30) days.
15. **BRAND NAME OR EQUAL** Identification of an item by manufacturer's name, trade or brand name, or catalog number is for information and establishment of a quality level desired and is not intended to restrict competition. Bidders may offer any brand which meets or exceeds the specification, unless 'brand name only' is specified. Bids on other makes and/or models will be considered provided the bidder clearly states on the proposal what is being proposed and forwards with the bid complete descriptive literature indicating how the characteristics of the article being offered will meet the specifications. The City reserves the right to accept or reject items offered as an equal.
16. **PLACING OF ORDERS** Orders against contracts will be placed with the Contractor on a Purchase Order (or Procurement Card – currently MasterCard) executed by the purchasing agent or designee. Where Master Agreements have been released by the City, orders may be placed directly with the Contractor by authorized personnel in the ordering Department(s). Issuance of all purchase orders will be contingent upon appropriation of funds by the Mayor and Council and encumbrance of such funds after July 1 of each year, as provided by the City Code.
17. **MATERIALS** All materials shall be new and free from defects. They shall be standard products of current manufacture. Unless otherwise noted in the contract documents, the Contractor shall abide by specific manufacturer instructions and recommendations on installation and operation.
18. **DELIVERY** Time is of the essence. All shipments shall be accompanied by Packing Slips or Delivery Tickets and shall contain the following information: 1) the Purchase Order number, 2) Name of the Article and Stock Number, 3) Quantity Ordered, 4) Quantity Shipped, 5) Quantity Backordered, and 5) Name of Contractor.
19. **BILLING** Unless otherwise specified invoices are to be submitted to the "Bill To" address on the Purchase Order immediately upon completion of the shipment or services.
20. **PAYMENT** Payment shall be made after satisfactory performance of the contract/complete delivery in accordance with all of the provisions thereof, and upon receipt of a properly complete invoice. The City reserves the right to withhold any or all payment or portions thereof for Contractor's failure to perform in accordance with the provision of the contract or any modification thereto. The acceptance by the Contractor of the final payment made as aforesaid, shall operate as and be a release to the City and every officer and agent thereof, from all claims by and liabilities to the Contractor for anything done or furnished for or relating to or affecting the work under the contract.

21. **ELECTRONIC PAYMENT OPTION**

The Vendor ACH Payment Program of the City allows payments to be deposited directly to a designated financial institution account. Funds will be deposited into the account of your choice automatically and on time. All transactions are conducted in a secure environment. The program is totally free as part of the Finance Department's efforts to improve customer services. Program information and registration can be viewed at the following web address:

<http://rockvillemd.gov/index.aspx?NID=234>

22. **TRANSFER OF TITLE** The Contractor warrants that title to all work, materials and equipment will pass to the City upon the receipt of payment by the Contractor, free and clear of all liens, claims, interests or encumbrances.

23. **DEFECTIVE MATERIALS/WORKMANSHIP** Defective or unsuitable materials or workmanship shall be rejected and shall be made good by the Contractor. If the work shall be found to be defective or to have been damaged before final acceptance, the Contractor shall make good such defect in a manner satisfactory to the City, without extra compensation even though said defect or injury may have not been due to any act or negligence of the Contractor.

24. **CHANGES IN QUANTITIES/ITEMS** The City reserves the right to add or delete any item(s) from the bid in whole or in part at the City's discretion as given in the Bid or Proposal wherever it deems it advisable or necessary so to do and such changes shall in no way invalidate the contract nor affect the bid prices for any item or remaining work. Unit prices submitted in the bid shall not be increased or decreased regardless of changes in quantity. The City may waive minor differences in specifications in bids provided these differences do not violate the specifications' intent nor materially affect the operation for which the items or services are being purchased

The Contractor will be paid for the actual amount of authorized work done or material furnished under any item of the bid at the price bid and stipulated for such item. In case any quantity is increased, the Contractor shall not be entitled to any increased compensation over and above the unit price bid for such item, or any claim for damages on account of loss of anticipated profits should any quantities be decreased. The Contractor shall be responsible for confirming the accuracy of the specified quantities prior to ordering materials or supplies and the City's payment shall be based on the actual quantities incorporated in the work and not the quantities specified in the bid document. The quantities must not exceed the contract specified quantities without specific written authorization of the purchasing agent and it is the Contractor's responsibility to obtain said authorization.

25. **DISPUTES** Except as may otherwise be provided by the final agreement, any dispute concerning a question of fact arising under the agreement signed by the City and the Contractor which is not disposed of by the final agreement shall be decided by the City Manager. The Contractor shall be afforded the opportunity to be heard and offer evidence in support of the claim. Pending final decision of the dispute herein, the Contractor shall proceed diligently with performance under the agreement signed by the City and the Contractor. The decision of the City Manager shall be final and conclusive.

26. **EXTRA COSTS** If the Contractor claims that any instructions by the contract documents or otherwise involve extra compensation or extension of time, a written protest must be submitted to the purchasing agent within ten (10) calendar days after receipt of such instructions and before proceeding to execute the work, stating in detail the basis for objection. No such claim will be considered unless so made.

27. **LEGAL REQUIREMENTS** All materials, equipment, supplies and services shall conform to applicable Federal, State, County and City laws, statutes, rules and regulations. The Contractor shall observe and comply with all Federal, State, County and City laws, statutes, rules and regulations that affect the work to be done. The provisions of this contract shall be governed by the law of the State of Maryland.

28. **INDEMNIFICATION OF THE MAYOR AND COUNCIL** The Contractor shall indemnify and save harmless the Mayor and Council from all suits, actions and damages or costs, of every name and description to which the Council may be subjected or put by reason of injury to persons or property as a result of the work, whether caused by negligence or carelessness on the part of the Contractor, or subcontractors or agents thereof.

29. **ETHICS REQUIREMENTS** In accordance with the City's financial disclosure and ethical conduct policy and/or ordinances a prerequisite for payment pursuant to the terms of this contract is that the Contractor may be required to furnish explicit statements, under oath, that the City Manager, and/or any other officer, agent, and/or employee of the City, and any member of the governing body of the City of Rockville or any member or employee of a Commission, Board, or Corporation controlled or appointed by the City Council, Rockville, Maryland has not received or has not been promised directly or indirectly any financial benefit by way of fee, commission, finder's fee, or in any other manner, remuneration arising from directly or indirectly related to this contract, and that upon request by the City Manager, or other authorized agent, as a prerequisite to payment pursuant to the terms of this contract, the Contractor will furnish to the Mayor and Council of the City of Rockville, under oath, answers to any interrogatories to a possible conflict of interest has herein embodied.
